

Week of January 10th

Greetings IAH members, we hope all is well with you and that you are safe and healthy.

Last Wednesday the sun shined and the weather warmed up for our IAH Spanish Wine Tasting lead by our very own sommelier, Lori Feehan, supported by her wine & cheese steward Carol Degnen.

While we have no activities scheduled for this week, we have great events coming later in the month. Join our Hiking group and walk historic Hampton Park, attend a virtual Shrimp Risotto cooking demonstration, and discuss David Attenborough's majestic new documentary "A Life on Our Planet".

We're also organizing a date for a bourbon tasting to be held outdoors so we need a warm day. Please check our [website](#) for the date and see more info on other upcoming IAH events.

We'll be resuming our Happy Hours as soon the weather warms.

We're always searching for new subjects and activities that interest you.

Please email your ideas to:

Joe Fanelli: j_fanelli@yahoo.com

Peggy Watt: peggy.watt@comcast.net

We look forward to seeing you soon!

Joe and Peggy, your IAH Programs co-chairs
