

Week of January 17th

Greetings IAH members,

Think our winters are cold? Warm up with a bike ride! Join your friends pictured above. Zip up, hop on your bike and meet the group at the I'On Club parking lot – 9:00 (new time) on Thursday mornings. You'll warm up quickly, enjoy some good exercise and catch up on neighborhood news!

In addition to our bike ride, we invite you to join our Hiking group on Tuesday and walk historic Hampton Park. This 60-acre jewel on the Charleston peninsula started as a plantation and had many lives including being farm, a race course, a Civil War prisoner of war camp and exhibition center.

Later in the month, we have two must-see events:

Jan 27 at 2PM, The Covid Vaccine: Why, when, how and what now??

An overview of the current status of the Coronavirus and the various vaccines designed to treat it will be presented by our I'On

neighbor, Gary Headden, MD who is serving as Principal Investigator of the MUSC AstraZeneca vaccine trial. The presentation will be followed by a Q & A.

Jan 27 at 3PM, "A Life on Our Planet"

Join Carol Degnen for an on-line discussion of David Attenborough's majestic new documentary "A Life on Our Planet." The famed naturalist recounts his life, the evolutionary history of life on earth, the loss of wild places and offers a vision for the future.

Watch it in advance on

Netflix: <https://www.netflix.com/title/80216393>

We're always searching for new subjects and activities that interest you.

Please email your ideas to:

Joe Fanelli: j_fanelli@yahoo.com

Peggy Watt: peggy.watt@comcast.net

We look forward to seeing you soon!

Joe and Peggy, your IAH Programs co-chairs
