

Greetings I'On At Home members, here's what's happening this week:

*Feb 1 at 10-12:00PM, **GREAT DECISIONS - Global Supply Chains***

Join Fred White via Zoom to discuss the most critical global issues facing America today. Remember to read the discussion material and watch the video prior to our meeting.

Feb 2 at 3-4:30PM, **Follow-up Q&A
Covid Vaccine: Why, when, how and what
now??**

Last week's presentation by Gary Headden, MD, MUSC's Principal Investigator on the AstraZeneca vaccine trial was such a hit that Gary is back to continue our discussion on Covid vaccine and what's next.

It's not necessary to have attended the first session to participate in this one. Take advantage of this excellent opportunity to have your questions and concerns addressed by an expert.

Feb 3 at 4-5:30PM, **Bourbon Tasting Seminar**
We'll take the chill off of winter with a safely spaced, outdoor Bourbon Tasting Seminar.

Join IAH's Bourbon aficionados, George Watt and Don Wilbur and learn about the history of bourbon, how to identify a quality bourbon and how to find the right bourbon for you. If you have any interest in Bourbon, now is your chance to experiment!

Feb 4 at 9:00AM, **IAH Biking Group**

Hop on your bike and meet us at the I'On Club parking lot. We head out Thursday mornings for an hour ride, enjoying some good exercise and catching up on neighborhood news! All levels are welcome.
