Week of February 21

Greetings I'On At Home members,

*A special thanks to Ben Tennille, Brady Anderson and Bill Sage for a very informative panel on **"Re-Envisioning America."** This marked the start of a series of events featuring IAH members who are accomplished in a particular field. Ben, Brady and Bill are planning additional discussions on the challenges facing our country today.*

Here's what's happening this week:

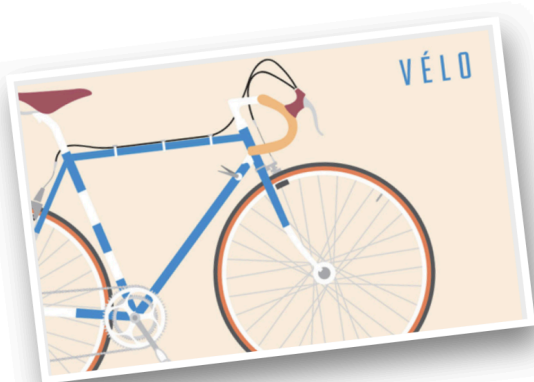

Join us on **Feb 23 from 11AM to 1PM** for a **private tour of McLeod Plantation** arranged by Anne Janas just for IAH members. Established in 1851, the plantation has borne witness to some of the most significant periods of our nation's history. This important 37-acre Gullah/Geechee heritage site has been carefully preserved in recognition of its cultural and historic significance.

The tour is outdoors. Masks and social distancing are required.

Feb 24, 2-3PM Spring Gardening Tips

This is the first in a series of gardening seminars presented by Chris Burtt of the Charleston County Clemson Extension Service. Chris focuses on urban horticulture and coordinates the Tri-County Master Gardeners program.

In this session Chris will offer tips for pruning, fertilizing and spring planting. They'll be ample time for questions.

Feb 25 at 9:00AM, IAH Biking Group

It's warming up, so hop on your bike and join our biking group. Meet us at the I'On Club parking lot every Thursday morning for an hour ride. Enjoy some good exercise and catch up on neighborhood news! All levels are welcome.
