vibrant and independent lives together.*

Week of March 7th

Greetings I'On At Home members,

After a year of COVID, the future looks bright! Many of us are now vaccinated and we officially welcome Spring on March 20th. This is good news for IAH and our members! With a new Board of Directors working diligently behind the scenes, IAH is re-energizing and re-vitalizing its programs and services. Be on the look-out for stimulating social events and opportunities, some of which are outlined in this weekly update.

Safety will continue to be a priority but gradually life will return to some kind of normal. Please know that all of us serving on the Board welcome and encourage your thoughts, comments and suggestions. Peg Higgins, your IAH President

Calling All I'ON at Home Artists!

Does creating art and enjoying beautiful Spring weather with new friends sound interesting to you? Then you should join our new "En Plein Air Painting" group. You don't have to be a Claude Monet. All experience levels are welcome including those who just want to come by and check it out.

We've started planning and need to see how many of you are interested in this new IAH activity. If this sounds good to you, please contact me and we can discuss details and share ideas.

Hope to be painting together soon!

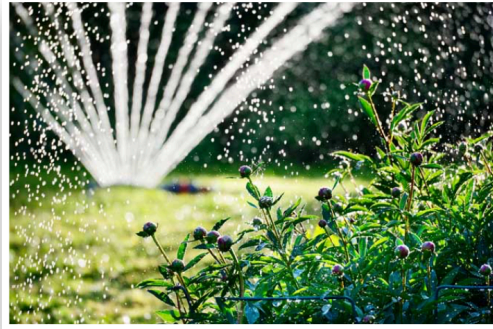

Myrto Tsavalas (440) 570-7833 myrtotsavalas@gmail.com

We are going back to this is a lovely park with its avenue of live oaks. It has a three mile and a six mile loop. We hiked here in March 2019 and saw all the beautiful Easter lilies blooming in the bottomland forests and wet meadows. Let's hope they bloom at the same time this year.

Cocktails and Conversations is a great way for members, especially if you are new to IAH to meet others in the IAH community.

Groups of no more than six people meet for cocktails outdoors on a member's porch or patio. Everyone brings their own drinks and snacks. Seating is arranged to allow for social distancing. It's a safe but enjoyable way to meet new people and enjoy lively conversation.
