Greetings I'On At Home members,

At IAH we all have a lot to celebrate...our friendships, the opportunity to share in interesting and fun activities and also to be able to help each other when needed. The support of our membership makes this all happen.

The high percentage of recent membership renewals is both impressive and very appreciated. Your loyalty allows us to continue providing great benefits and actively developing a robust IAH community.

Thank you,

Your IAH Board of Directors

Here's what's happening the week of June 13th

June 13th 3:00PM & 4:30PM

Bocci & Booze

Come play the ancient game of Bocce. There's a reason the game has endured for centuries. It's easy and fun. We'll meet on the Bocci court in Avant Garden on the corner of Westlake and Latitude.

Bring your beverage of choice. No skill is required but a sense of humor helps!

June 15 7:30AM

IAH Hiking Group. / Meet at the I'On Square - corner of Civitas and N. Shelmore

Due to the summer heat and many of us taking advantage of being able to travel again we will walk in the neighborhood during the summer months. If we have an unexpected cool morning we might walk to Waterfront Park and back.

June 16 at 5:00PM - 6:00PM

IAH Happy Hour at Community Table

Cheers!

Grab a cool drink, some delicious appetizers and celebrate the arrival of warm, sunny weather with your fellow IAH members at Community Table.

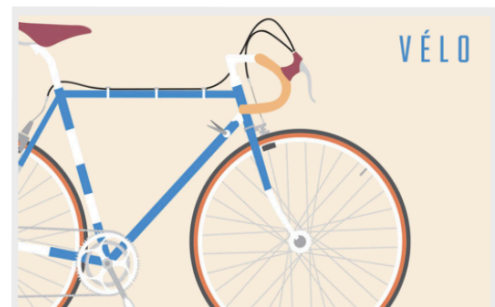

Cha Ching...Happy Hour pricing on wine and appetizers.

June 17 at 8:00AM - 9:00AM

IAH Biking Group

Beautiful weather and wonderful surroundings... that's Charleston! A great way to enjoy all of this is to hop on your bike and join our IAH biking group. Meet us at the I'On Club parking lot every Thursday morning for an hour ride.

All levels are welcome.

June 17 at 7:00PM - 8:00PM
Documentary on Sesame Street:
"50 Years of Sunny Days"

Take a break from politics, Covid and everything else that keeps you awake at night! Sesame Street achieved its 50th anniversary last year, making it the longest running show on television. To recognize this accomplishment, ABC produced a documentary entitled "50 Years of Sunny Days" that is available on Hulu and other sources.

The documentary will bring you laughs but also insights into how a group of social activists wanting to give all children equal opportunity to learn have changed our world. You'll be amazed at how much effort, research and creativity it took to produce Sesame Street.

Definitely worth watching.....and joining other IAH Members for this Zoom discussion.
