Introducing New Events:

Your IAH Programs Committee is constantly searching for new events and activities that interest our members. While most of our IAH events are open to all, we've received requests for activities that are dedicated just to women and men. Here are new activities that we think you'll enjoy.

Exclusively for IAH Women

Are you a newcomer to I'On and I'On At Home and want to join a book club? Or have you been an IAH Member and are interested in participating in one? In either case, here's your opportunity to become a founding member of the IAH Women's Book Club.

There will be 11 spots available.

Penny Leighton has graciously volunteered to co-ordinate the launch meeting at her home. It's scheduled for Tuesday, November 2nd. Check the IAH events calendar for details.

If you would like to join but cannot make the meeting, please contact Penny at penny.leighton@comcast.net.

We haven't forgotten about you guys...MEN'S BOCCE

Step up and play the ancient game of Bocce with your crew!

Bocce is the 3rd most popular sport in the world, after soccer and golf. There are 25 million players in the U.S alone. It was played as early as 264 B.C. in Rome.

Not sure it's for you...think that you're better than the Roman Emperor Augustus, the ancient Greek physician Hippocrates and the astronomer Galileo who were all ardent players. Need a home grown example... how about George Washington who ruled his bocce court at Mount Vernon!

No skill or athleticism required...the game is easy and fun. It's as much about socializing and having a few laughs as playing the game! Check the IAH events calendar for upcoming dates.

Bros & Brews

These two new events join Bros & Brews, a monthly pub gathering around the greater Charleston area where guys can spin some tales, share some insights and just have fun. The Holy City has no shortage of great bars. We'll be visiting historic gin mills, dive bars, upscale lounges and everything in between. We may even find our own Cheers bar!

Here's what's happening in 1st two weeks in October:

Monday, October 4th at 10:00AM - 12:00PM

Great Decisions Discussion Group - The Two Koreas

Join Barbara Fowler for a discussion of the recent nuclear buildup by North & South Korea and how it impacts the USA .

The Korean Peninsula is facing a defining era. Attempts by South Korean President Moon Jae-in and U.S. President Donald Trump to repair the rift between North and South have lost any momentum as Pyongyang continues to test long-range missiles for its nuclear weapons program.

As the rift between the U.S. and China grows further, South Korea may end up in the middle of the two superpowers. What does the future hold for the U.S. relationship with the ROK?

*Great Decisions is America's largest discussion program on world affairs. The program model involves reading the Great Decisions **Briefing Book**, watching the monthly video and meeting via Zoom to discuss the most critical global issues facing America today.*

Wednesday, October 6th, 4:30PM - 6:00PM

Back by popular Demand - The Sound of the Symphony

Join the Charleston Symphony Brass Sextet for an afternoon park concert featuring favorite music from the concert hall, the opera stage, Broadway and the Silver Screen, all with some informative and entertaining commentary from the performers.

Center for Birds of Prey
Flight Demonstration and Self Guided Tour

Watch hawks, falcons, owls, eagles, kites, and vultures soar above the flying field. Seeing these birds perform their natural flying and hunting techniques provides a fascinating insight into their unique evolutionary adaptations. The natural behavior of raptors soaring, gliding and diving in close proximity to audiences is a unique and memorable experience.

The entire program is outdoors with a flight demonstration of birds in untethered, free-flight in the first hour and a self-guided walking tour in the second hour. In lieu of the standard guided walking tour, the Center has introduced an app to assist guests with a self-guided tour. The app should be downloaded and installed prior to the visit.

It is available on the Center's website at <https://www.thecenterforbirdsofprey.org/visit/app/>.

The Center will be enforcing social distancing in their large outdoor amphitheater.

The See-Wee Restaurant, a southern home cooking landmark, is at the same crossroad with US17 where you exit from the Center for Birds of Prey. They do not take reservations but it would be a great place to stop for lunch at one of their indoor or outdoor tables.

Herb White is the Big Bird behind this outing.

You will be able to taste both limoncello and a dessert using limoncello.

Cocktails and Conversations is a great way for members, especially if you are new to IAH, to meet others in the IAH community.

Groups of six or eight people meet for cocktails outdoors on a member's porch or patio. Everyone brings their own drinks and snacks. Seating is arranged to allow for social distancing. It's an enjoyable way to meet new people and enjoy lively conversation. Please go to the IAH Website and register by Thursday 5pm, the evening before the event to allow for logistical organization.

All registered participants will be contacted, by the morning of event, regarding location.

This event will be held outdoors at private homes. Whether or not you are fully vaccinated, please wear a mask until you are seated and maintain social distancing at all times.

Kathie Haas is the Get Together Guru for this event!

Consider becoming a host for future get togethers!

Go to the comment box for this event on the IAH website and let us know that you're interested and if you can accommodate six or eight people with appropriate social distancing.
