

Guided Tour Patriots Point Naval & Maritime Museum

A community of friends enjoying enriched, vibrant and independent lives together

Dear IAH Members:

We live in the shadow of one of the most remarkable military history exhibits in the country. Join us Thursday from 2:00 - 4:00pm for a personally guided tour of Patriots Point Naval and Maritime Museum. Your general admission ticket includes all exhibits:

- *USS YORKTOWN Aircraft Carrier*
- *USS LAFLEY Destroyer*
- *3 Acre Vietnam Experience*
- *Medal of Honor Museum*
- *28 Historic Aircraft*

We are fortunate to have IAH member and US Navy veteran, Don Higgins, as our personal tour guide.

Don was commissioned as a Naval officer in 1967 and served on ships patrolling the North Korean coast after the capture of the USS Pueblo. Later, he joined the Coastal Surveillance Force as an operations officer working with the Swift Boats off the coast of Vietnam and in the Mekong Delta. He returned home and separated from the Navy in late 1970.
