

### **Remembering 9/11**

#### **Dear I'On At Home Members,**

As we turn today in our shared memory of the events of 9/11 and honor those who lost their lives and those who exhibited immense heroism, let us be thankful for our close IAH friends who surround us with friendship and care.

### **Here's what's happening this week:**

**How to work smarter, safer and more  
efficiently with technology**

As part of our **CHOICES** programming, please join us on **Tuesday, September 13** for the first in a series of talks on how to safely use today's technology in our lives. Jamey Mellis, the President and CEO of Software Solutions and Design in Charleston, will talk to us about phishing, key loggers and malware during this Zoom event. He will provide practical ideas and strategies to work smarter, safer, and more efficiently with technology.

## WHAT ARE YOU READING? WHAT ARE YOU WATCHING?

Join us on this **Wednesday, September 14**, to share a glass of wine and discuss good books to read and shows to watch this year! This is a live event for vaccinated participants only.

## PUBLIC AFFAIRS DISCUSSION PANEL

This **Thursday, September 15**, join Tom Martin, Barbara Fowler, Ben Tennile and Brady Anderson for a discussion on the November midterm elections, the fallout from the January 6<sup>th</sup> commission hearings, the ongoing war in Ukraine and the resulting energy and food shortages being forecast for Europe and the rest of the world.
