

A community of friends enjoying enriched, vibrant and independent lives together

Hello I'On At Home friends,

As fall begins, we want to thank the IAH Programs Committee for their efforts in promoting Learning, Exploring and Playing Together. These dedicated volunteers have presented over 100 enriching cultural, social and educational events so far this year. If you run into any of them, please let them know how much you appreciate their hard work.

We encourage you to sign up for events listed on our website. In fact, Go Wild and sample several including a program or two that are out of your comfort zone! Or bring a buddy. It is always fun to have another member join you to carpool or walk to an event together.

As you might imagine, the planning and scheduling of programs and events takes time and effort. While we hope you'll sign up for many events, please remember that, as a courtesy to our planners and presenters, let us know if your schedule changes and you are unable to attend a specific program.

Below find a sample of upcoming activities that are available to you.

*Click on the **Blue Bar** at the bottom of this Weekly Update for event details and sign up information.*

We look forward to seeing you.
