

***Dear I'On At Home Members,***

On November 5, **LOWVELO 22**, a volunteer bike ride, rallies everyone together for one great cause – raising money for innovative and lifesaving cancer research at MUSC Hollings Cancer Center. Last year, participants raised a record \$550,000 that advances cancer care across the state and country.

Team I'On, a small but committed biking team of your friends, has volunteered to ride in support of cancer research for a fourth year in a row. 100% of every participant-raised dollar goes directly to research. Please consider supporting our team. It is easy to donate.

Thank you from our entire team:

Len Hanson, Peg Higgins, Paul Johnson, Penny Leighton, CJ Pelletier, Dick Stifel and Cynthia Webb.

Tom Martin will lead the discussion and Barbara Fowler, Ben Tennile, Bill Sage and Brady Anderson will examine the latest predictions for the November 8 midterm elections, the ongoing war in Ukraine, and the growing threat of Russia deploying tactical nuclear weapons as its position becomes more tenuous.
