

***Don't  
Forget to  
Fall Back!***

*A community of friends enjoying enriched, vibrant and independent lives together*

***Dear I'On At Home Members,***

*We start this week with Monday's Great Decisions panel. The topic for this session is "Foreign Policy, Economic Power, and U.S. Industrial Policy." Great Decisions is America's largest discussion program on world affairs.*

*On Thursday, come with us for a rare behind the scenes tour and see Charleston artisans forge carbon steel and cast iron cookware at Smithey Ironware and meet the companies' visionaries and founders. Perhaps you've seen these beautiful Smithey cast iron and carbon steel pans in Kudzu Bakery, Coastal Cupboard or the Charleston Preservation Society. They are truly works of art, but also among the best kitchen pans you will ever own.*

***I'On At Home holiday events to put on your calendar:***

***Nov 24 - Let's celebrate Thanksgiving together!***

*Thanksgiving for one or two is just not the same as being with group of friends. Once again, Cheryl and Bob Pitts have graciously opened their beautiful home so we can share our Thanksgiving together. We'll all contribute a dish and enjoy our friends' favorite holiday treats.*

*Turkey, dressing, wine and tea will be provided for everyone, and all side dishes are potluck. The Programs Committee will coordinate the menu to make sure we don't have too many duplicates. Most importantly bring your smiles and conversation!*

***Dec 10 - The Annual IAH Holiday Celebration Party***

*Start the holiday season and get into the festive spirit by joining neighbors and friends at our annual I'On At Home Holiday Celebration Party! There will be mistletoe and good cheer!*

*Hope to see you there! Sign up quickly. This event sells out.*

***Nuovo Cinema Italiano Festival***

*If you are a movie buff, do not miss the 2022 Italian Film Festival hosted by the College of Charleston from November 10 - 13. The Festival features a carefully curated lineup of recently released documentaries, dramas and comedies in Italian with subtitles.*

*Fred White, our IAH member who brings us "Fred's Film Forum", is a retired professor of film and literature and has been a judge for this annual film festival for the past few years. Fred wanted us to know about this festival because he believes that this year's films are the best he's seen in over a decade of viewing.*

*There are delightful comedies, documentary as well as many fine dramas. Fred's picks for the very best films are *The Shadow of the Day (L'Ombra del Giorno)* and *Nostalgia*. *The Shadow of the Day* is a gripping, tragic love story that plays out against the backdrop of everyday life in the fascist late 1930's in a small Italian city. Gorgeous in every cinematic and human respect, it's Italy's entry into the Oscar's foreign film competition and a film you'll never forget.*

*Nostalgia is an equally powerful movie about a Neapolitan who returns to Naples for the first time in forty years to care for his dying mother. Enmeshed in a nostalgia pulling him deeper and deeper back into the poorest, most crime-ridden section of the city of his childhood he once fled, he now hopes finally to bring his Egyptian wife to the heart of the real Naples to spend the rest of their lives. An especially wonderful film for anyone who loves Naples, in all its gorgeous, tragic complexity, beauty, and matchless passionate vitality.*
