

Wanted: Big and Small Houses & Gardens for IAH Events

Your IAH Programs Committee has an exciting backlog of events ready to go, but at this time we don't have enough available spaces for all of our current and future events. So we're calling on you to consider opening your homes and gardens for an IAH event.

Events include lectures with or without tv for AV, cooking demonstrations, garden parties, concerts (pianos especially appreciated), etc. We do small and large events - just let us know how many attendees you can accommodate.

We will do all the heavy lifting to plan, provide seating, set up, and clean up. You relax and just supply your indoor or outdoor space.

Please reach out to us if you would like to share your home or garden with your IAH friends.

Don't miss this important Choices program!

Learn CPR...and make every second count!

Tuesday, March 7th - 4:00PM - 6:30PM

Mount Pleasant Fire Department - Station 7 at 926 Bowman Rd.

Join Capt. Don Wollenbecker, the Mount Pleasant Fire Rescue Training Captain, as he leads us through current day practices of: CPR - Cardiopulmonary resuscitation - an emergency lifesaving procedure performed when the heart stops beating and one which greatly improves a person's chances of surviving cardiac arrest.

You'll have the opportunity to practice what you've learned on mannequins and subsequently be ready to help during those first critical moments if an emergency occurs.

Fire Extinguishers are one element of a fire response plan.....What do you know about fire extinguishers? Do you have one in your home? Would you know how to use one and be comfortable doing so? How long does an extinguisher last, which kind is best? Learn the answers to these questions and more!

Below find a sample of upcoming activities that are available to you.

Click on the **Blue Bar** at the bottom of this Weekly Update for event details and sign up information.

We look forward to seeing you.
