

***Dear I'On At Home Members,***

*There are many IAH activities - cultural, social and educational. But our Biking group is definitely a different type of activity...part exercise, part discovery of new low country neighborhoods and also an opportunity to share the skinny on what's up in I'On!*

*But most of all, it's about being outdoors with IAH friends and having fun (as you can see from above).*

*We're an "Easy Rider" group who meets weekly, every Thursday at 8AM in front of I'On Club parking lot. Spring is a great time of year to dust off the old Schwinn, pump up your tires and get rolling with us!*

***Act Now! Your IAH Battery Brigade volunteers will be replacing your smoke alarm batteries until March 31st.***

*Here's all that you need to do:*

- *Go to the IAH website and click on "New Service Request" to book an appointment.*
- *Buy your replacement batteries (usually 9V).*
- *Have a ladder ready or let us know if we need to bring one.*

***Don't miss these great events this week!***

### ***This Wednesday, A CHOICES Event - Nordic Cooking***

*Nordic Cooking is a sustainable foods company that offers a variety of cooking classes from baking gluten free bread to cooking superfoods and making vegan sushi. Louise Raker, a Swede who moved to the United States from Spain in 2018, has a cooking style that is based on a philosophy of "less is more" and features organic plant-based foods, sourced locally.*

*Chef Raker will host this cooking class at Blum, a coffee shop and wine bar located just over the Ravenel Bridge. The bar manager will offer wine pairings for each course. Each guest will leave with recipes. This is sure to be unique and intimate dining experience!*

*March 22nd - 6:00 - 7:30 pm*

*Blum Coffee shop & Wine Bar - 511 Meeting Street*

*Dinner cost \$75 p.p. Wine is additional starting at \$5 per glass*

***This Thursday - 7:00- 8:00 PM***

***Fred White, our IAH resident film expert and critic, will lead a discussion of Michelangelo Antonioni's psychological mystery, Blowup.***

*A successful mod photographer in London whose world is bounded by fashion, pop music, marijuana, and easy sex, feels his life is boring and despairing. Then he meets a mysterious beauty, and also notices something frightfully suspicious on one of his photographs of her taken in a park. The fact that he may have photographed a murder does not occur to him until he studies and then blows up his negatives, uncovering details, blowing up smaller and smaller elements, and finally putting the puzzle together.*

*The film is available on Amazon Prime Video, HBO Max and Hulu.*

*Sign up for this Zoom event on the IAH website*

***This Saturday - 5:00- 6:30 PM***

***Sing, Sing, Swing with Charleston Jazz then Dinner***

**Charleston Music Hall**

37 John St, Charleston, SC 29403

"It don't mean a thing if it ain't got that swing!"  
Join us for the evolution of electrifying big band  
swing music that took America by storm.

From its birth with legendary ensembles such as  
Charleston's own Jenkins Orphanage Band, Benny  
Goodman, and Fletcher Henderson Orchestras, to  
the indelible mark it continues to make on jazz  
today, it's no wonder it's gone down in history as  
the greatest music of all time.

BUY your own tickets ASAP at 843-641-0011. YOU  
are responsible to buy your own concert ticket. Mention IAH and get a \$5 discount. Sign up  
on the IAH website for dinner afterward at Rue de Jean and carpooling.

*Covid Vaccination and Booster Required*
