

A community of friends enjoying enriched, vibrant and independent lives together

Dear IAH members,

Greetings from your Membership Committee. I'On At Home currently boasts over 165 members. In 2023, 19 new members joined. It is noteworthy that during the Covid epidemic, membership increased despite the need to pivot to virtual and safely spaced outdoor events.

When a new I'On resident arrives in our community they are greeted by I'On Ambassadors who welcomes and informs them about life in I'On, including an introduction to I'On At Home. The Ambassador Chairperson lets us know of new arrivals who may be interested in joining IAH. The Membership Committee reaches out to them in person and invites them to group get-togethers to acquaint them with our programs. In 2023, IAH welcomed the following new neighbors:

Caroline Ballantine

Erik Calonijs

Phyllis Carlucci

Kevin & Carol Dickey

David & Elizabeth Falconer

Frank & Anne Fallon

Tommy & Marilyn Felix

Mark & Maureen Fisher

Chuck & Rosemarie Gelber

Jennifer Gotto

Ellen Oblow

Carolyn Pelletier

Linda Bender

Our new members all bring incredible talent, ideas and energy to our amazing group. Please introduce yourself if you happen to see them at an event or around the neighborhood.

If you know of anyone in the community who could benefit from what IAH has to offer, please discuss with them the benefits of joining. There are a number of social events geared specifically to recruiting new members. Interested neighbors are also invited to attend Cocktails and Conversation and some of the premier events that have been arranged by our outstanding Programs Committee.

If you know of anyone who would like to learn more about IAH, please encourage them to contact our Membership Committee directly or visit our website: lonathome.helpfulvillage.com

Thank you so much for your ongoing support and participation!

Here are a few photos from events that members enjoyed last week.

Brazilian Jazz with Duda Lucena at the I'On Club

Brazilian-born guitarist and vocalist Duda Lucena and his group of talented musicians entertained us with the soft sounds of the Brazilian music he loves.

Duda is a pivotal force of Brazilian music on the jazz scene and we're fortunate to hear a virtuosity of this caliber.

Galentine's Day Party

In case the men in the audience don't know what Galentine's Day is... "It's only the best day of the year!" Created by Amy Poehler in a "Parks & Recreation" episode, Amy claims: "Every February 13th, my lady friends and I leave our husbands and our boyfriends at home and we just come and kick it breakfast style. Ladies celebrating ladies." And this IAH Galentine's Day party was no exception.

Thanks to Barbara Fowler for bringing the love!

We look forward to seeing you.
