

# WHO YOU GONNA CALL?

*A community of friends enjoying enriched, vibrant and independent lives together*

## **IAH Volunteer Services...Neighbors Helping Neighbors**

Spring is a good time to remind you of all of the services that our team of vetted IAH volunteers provide to help you when you need it. Here are some of services available:

- Transportation - stores, medical appointments, events, airport
- Household chores - moving furniture, hanging pictures, changing light bulbs and smoke alarm batteries
- Light yard work - raking, watering or sweeping the patio
- Help with pets - providing emergency pet care
- Meals - deliveries in special cases due to health or injury
- Tech help - computers, cell phones, smart televisions
- Friendly visits / phone calls to check in with members and provide companionship

Remember what Benjamin Franklin said:

*“Just because you can climb up a ladder,  
doesn’t mean that it’s a good idea!  
(or was that Freud?)*

## WELCOME NEW MEMBERS

*We'd like to welcome our newest members Cynthia & Stephen Wood and returning members Jan & Dennis Laabs. Please say hello when you see them at IAH events or run into them in the neighborhood.*

---

### ***Here are a few photos from the Easter Flower Arranging Event***

### **May 3rd Hopseewee Plantation Tour and luncheon event reminder...**

*If you are planning to attend the May 3 Hopseewee Plantation Tour and luncheon, please register soon. We need to firm up the count with the plantation by mid April. Thank you.*

---

### **Join us on April 22 for a talk about personal safety and home security.**

*We live in a beautiful community but we are not immune from criminal activity. Lieutenant Don Calabrese of the Mt. Pleasant Police Department will share his expertise about crime and how best to protect ourselves and our homes. Being aware and vigilant goes a long way. Originally from NJ, Lieutenant Calabrese joined the Mt. Pleasant PD in 2005 and has worked as both a patrol officer and a crime prevention officer before taking on management roles. He'll address a variety of topics including how to prevent vehicle burglaries, how to identify and outsmart phone and email scams, and how to ensure one's personal safety. Come and ask questions about the effectiveness of various technology tools like cameras and lighting.*

---

*Below find a sample of upcoming activities that are available to you. Click on the **Blue Bar** at the bottom of this Weekly Update for event details and sign up information.*

*We look forward to seeing you.*

**APRIL 2024**
